

SPONSORSHIP COMMITMENT

Make an impact in your community! Become a sponsor of the 16th annual Tasting Statesboro... The United Way for United Way of Southeast Georgia's signature event!

Since 2011, the United Way of Southeast Georgia has successfully hosted Tasting Statesboro... the United Way to raise awareness and funds for their non-profit partner organizations. Every year, establishments from around the area participate in the event to promote their menus, which range from breakfast, lunch, dinner, and appetizers to desserts, coffee, beer, and wine! All proceeds from the event directly benefit local charities. In 2025, 40 local restaurants participated, and over 500 people attended Tasting Statesboro, raising over \$59,000.

Thursday, October 15, 2026
5:30pm - 7:30pm
